Re: Initial Review of Notice of Intention to Commence Large Mining Operations, DMW Stone Inc.
(BMW), Brown's Canyon Rock Quarry Mine, M/043/021, Summit County, Utah

To Whom It May Concern:

BMW Stone Inc. has read all condition that have been address in the letter of, March 2, 2000, for the land of Brown's Canyon Rock Quarry, located in Summit County, Utah. BMW will agree with all conditions that have been set. We will sending in the lab analysis, vegetation and will agree with the recommended list you have provided. We also, do realize that the drainage should not be impacted until the Division approves of the remediation plan.

Thank you for all your support and understanding.

Mark Willes
